## **Aurora Community Services opens new office in Mosinee**

*Menomonie, Wisconsin - April 20, 2010 - Aurora Community*

Services recently completed their new 6000 square foot office facility in Mosinee, Wisconsin. Located across from the Indianhead Golf Course, Aurora's new facility will house vocational, residential, and community counseling staff. "We are very proud of our new facility and we are pleased to be joining the Mosinee community", says Aurora Regional Director Ann Stevens, "we look forward to continuing to serve the residential needs of our clients and we also look forward to delivering some helpful new services to area businesses." Aurora plans to grow its Employee Assistance Program business out of the Mosinee office, offering counseling and other services which help businesses keep employees productive and reduce costs associated with attrition and heavy usage of costly health insurance. "Businesses are looking for every option for saving money these days" says Aurora Director of Project Management Jonathan Hefner, "EAPs are an affordable and proven way for businesses to

reduce their costs while enhancing the lives of their employees - it's a win-win for everyone." Aurora will be holding an Open House at the new facility on Thursday, April 22nd from 11am to 1pm; the public as well as local businesses and community organizations are invited to attend.

About Aurora Community Services

Headquartered in Menomonie, Wisconsin, Aurora Community Services was founded in 1986 to provide high quality, individualized, community based mental health and support services to persons with disabilities. Since our founding Aurora has diversified its mental health services to include general community mental health services, EAP, nursing care, residential alternatives, in-home services for seniors, and support for those with traumatic brain injuries.
